BRITISH ANTARCTIC SURVEY

BULLETIN

No. 51 September 1982

CONTENTS

	PAGE
Sedimentary dykes, pipes and related structures in the Mesozoic sediments of south-eastern Alexander Island. B. J. TAYLOR	1
Geological observations in the Cooper Bay—Wirik Bay area, South Georgia. P. STONE	43
The geology of north-western South Georgia: II. Sedimentology. R. A. S. CLAYTON	55
The geology of north-western South Georgia: III. Petrology of the Cumberland Bay Formation. R. A. S. CLAYTON	79
A preliminary investigation of the geochemistry of greywackes from South Georgia. R. A. S. CLAYTON	89
Mapping the depth of a valley glacier by radio echo sounding. A. C. WAGER	111
Geology of Shag Rocks, part of a continental block on the north Scotia Ridge, and possible regional correlations. P. W. G. TANNER	125
Gravity measurements in the Falkland Islands. J. L. MARTIN and L. J. S. STURGEON	137
An improved gravity base-station network over the Antarctic Peninsula. R. G. B. RENNER	145
The geology of the Marian Cove area, King George Island, and a Tertiary age for its supposed Jurassic volcanic rocks. R. E. S. DAVIES	151
Soil microbiological studies at Signy Island, South Orkney Islands. A. D. BAILEY and D. D. WYNN-WILLIAMS	167
Plant succession and re-exposed moss banks on a deglaciated headland in Arthur Harbour, Anvers Island. R. I. L. SMITH	193
Metabolic differentiation of muscle fibres from a haemoglobinless (<i>Champscephalus gunnari</i> Lönnberg) and a red-blooded (<i>Notothernia rossii</i> Fischer) Antarctic fish. N. J. WALESBY, C. J. M. NICOL and I. A. JOHNSTON	201
Distribution, composition and general characteristics of the moss banks of the maritime Antarctic. J. H. C. FENTON and R. I. L. SMITH	215
The volcanic hazard at Deception Island, South Shetland Islands. M. J. ROOBOL	237
Vegetation re-exposed after burial by ice and its relationship to changing climate in the South Orkney Islands. J. H. C. FENTON	247
Geology of the Shackleton Range: I. The Shackleton Range Metamorphic Complex. P. D. CLARKSON	257
Short notes: An unidentified nematode-trapping fungus from a pond on Alexander Island. N. R. MASLEN; The first record of a fur seal birth on Signy Island, South Orkney Islands. S. P. J. KIGHTLEY and J. R. CALDWELL; Feeding biology of free-living Acari at Signy Island, South Orkney Islands. D. G. GODDARD; New geological interpretation of Admiralen Peak, King George Island, South Shetland Islands. R. E. S. DAVIES	285
Erratum	297
