botany  
& more!

Meeting point

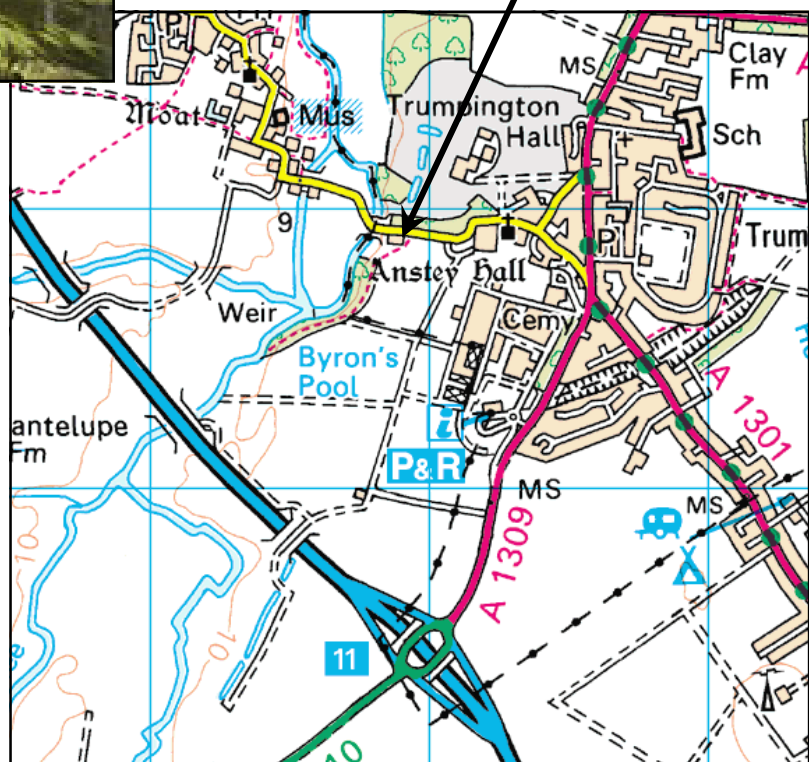

Byron's Pool LNR - car park  
Grid reference TL4325483

### Trumpington Meadows Country Park

A country park is being created as part of the Trumpington Meadows development.

Join us to find out how the country park is developing.

A great way to learn about the wildlife around Cambridge and practice your identification skills!

Contact [events@cnhs.org.uk](mailto:events@cnhs.org.uk) or Programme Secretary if you plan to attend - no advanced booking required

Please come dressed appropriately, taking into account likely weather conditions and terrain  
Remember to bring refreshments - including lunch for all day events
